

## WORKING TOGETHER FOR A BETTER BRIDGE OF DON

Within the Bridge of Don there are several groups who look to improve or give something back to the community. You can see some examples of what they've done in the photos here. These groups do a fantastic job and are usually independent with minimal crossovers. We are looking to utilise all the great resources and ideas from these groups where we will all work together to improve where we live.

However, we need everyone's help. We want to understand how the Bridge of Don can be improved and get a good community spirit going. Have you ever been somewhere or seen something and thought to yourself, "why don't we have that where I live"? Well, here is your opportunity. The link below will take you to a short questionnaire which will ask you a few questions on what you would like to see in the area, e.g. more floral displays, a gala or outside exercise equipment etc.

Once we have the output from the questionnaire, we will see what the top items are and then decide a plan of action of how we set about fulfilling.

Groups involved so far are:

Churches: Baptist Church, Oldmachar Church & St Columba's Church

Schools/PTA: Braehead, Glashieburn, Middleton Park & Scotstown

Other: Bridge of Don Community Council, Friends of Westfield Park, Bridge of Don Library & Rotary Club of Aberdeen Balgownie

With the sheer size of Bridge of Don there may be some groups we are not aware of, so if you are involved with an active group and would like to join us, please get in touch by sending the community council a private Facebook message ([facebook.com/BridgeOfDonCommunityCouncil](https://www.facebook.com/BridgeOfDonCommunityCouncil)) or email [bodccsec@btinternet.com](mailto:bodccsec@btinternet.com). The more the better!

The questionnaire web link and QR code are found below, additionally paper copies are available at the Bridge of Don Library.

We look forward to hearing from you!
